

FOOD SERVICES MANAGEMENT

Students in the School District shall have an opportunity to participate in school lunch and milk programs. These programs shall be administered by the Superintendent or designee, in accordance with established guidelines.

Food service prices shall be established by the Board annually. In accordance with federal guidelines, the District shall offer free and reduced price food services to students who qualify.

The School District shall not discriminate in school-sponsored food service programs on the basis of any protected category under Wisconsin or Federal statute.
