

PUBLIC GIFTS TO THE SCHOOLS

The Board may accept and use a bequest or gift of money or property for a purpose deemed by the Board to be consistent with district goals. It shall also be the prerogative of the Board to refuse any gift, if it determines such action serves the best interests of the District. Equipment and materials purchased for, or donated to, the public school by agencies or organizations outside of the school must have approval of the Board or Administration.

All gifts or bequests shall become the sole property of the District to be used at the discretion of the Board or Administration, unless otherwise specified in the bequest.

The School District shall not discriminate in acceptance and administration of gifts, bequests, scholarships and other aids, benefits or services to students from private agencies, organizations or persons on the basis of any protected category under State or Federal law.
